

California Criminal Lawyer Tully Hits Best Seller w/ 1st Book: 'California - State of Collusion'

Criminal Lawyer Joseph Tully's #1 Best Seller - California: State of Collusion California's best criminal lawyer Joseph Tully exposes power, conspiracy, and cover-ups in the Golden State's failed criminal justice system

California's best criminal lawyer, Joseph Tully, adds Best Selling Author to his legal bio with his book California – State of Collusion (Sutton Hart Press) hitting #1 on Amazon in its cate-

gory the first week.

California: State of Collusion looks at entrenched conspiracy among the Golden State's

Innocent people can be subjected to a 'power trip' police encounter, arrested by a megalomaniacal cop, jailed by a sadist, prosecuted by a manipulative Machiavellian, and judged by an ego-tripping sociopath.

– from California: State of Collusion

judges, prosecutors and police - fabricated testimony, doctored evidence, proof of innocence buried, and judges turning a blind eye while imposing voter-

pleasing sentences and ignoring misconduct to satisfy police unions at election time.

Joseph Tully, labeled by one reviewer as a Ferocious Warrior, a Gunslinger among Paper Pushers, exposes California's corrupt criminal justice system with examples of:

- Psychopathic police officers - unpunished for horrific abuses
- Prosecutors trampling Constitutional rights to fuel career advancement
- Judges ignoring police and prosecutorial misconduct - to get re-elected
- An institutionalized culture of power, conspiracy and law enforcement cover-ups

“Innocent people can be subjected to a ‘power trip’ police encounter, arrested by a megalomaniacal cop, jailed by a sadist, prosecuted by a manipulative Machiavellian, and judged by an ego-tripping sociopath.” – from California: State of Collusion

Among the book's topics:

- California prisons' systemic racism, medical abuse, and cruelty
- Flawed (cash sponsored) media portrayal of law enforcement as incorruptible
- Faux science and known deceitful witnesses presented as incontrovertible evidence

- California prosecutors' massive Snitch-for-Hire network
- Weaponized firearm and drug prohibitions

“Joseph Tully offers a close-up and eye-opening account of the most political, systemic corruption of this decade. Illuminating, incendiary, and brilliantly argued.”

– Jail Death and Injury
Law Reporter

Attorney Joseph Tully delivers frightening examples of police, prosecutors, judges and politicians acting badly from Redding to the San Francisco Bay Area to Silicon Valley, Los Angeles and everywhere in between.
